Welcome to Rhode Island PrideFest 2023 and the Illuminated Parade, brought to you by Rhode Island Pride. Last year, as we gathered here, uncertainty filled the air after enduring 2.5 years of a relentless pandemic. However, you, our incredible attendees, provided the resounding answer by embracing your true selves and demonstrating your pride in record-breaking numbers. Your unwavering presence spoke volumes, and it comes as no surprise that our pride event was recognized by US News and World Report in their recent article titled "21 Top Pride Parades and Celebrations in the U.S. for 2023." We are thrilled to announce that our pride celebration, listed second only to the iconic New York City, is a testament to the dedication of our volunteer-based organization and the extraordinary community that fuels its success.

The theme for this year's Rhode Island Pride celebration, **"Remember • Resist • Rejoice,"** is a powerful and inspiring message that emphasizes the importance of remembering our history, standing up against oppression, and celebrating the progress we have made as a community. It acknowledges the struggles and victories of the LGBTQIA+ community, from the early days of the Mattachine Society and the Daughters of Bilitis to the Stonewall Uprising and the first Pride event in Rhode Island 47 years ago.

By remembering our past, we can honor the sacrifices and contributions of those who have come before us and gain a deeper understanding of the struggles we continue to face today. Every day, we witness a barrage of attacks targeting our community, particularly our trans and queer BIPOC members, through what we see, hear, or read. It is important to acknowledge that the fight for equality is ongoing, and that we must remain vigilant in our resistance against any efforts to restrict or erase the rights and existence of LGBTQIA+ people. We believe in a world where everyone is embraced and celebrated for who they are.

At the same time, the theme of rejoicing reminds us of the power of pride and celebration, and the joy that comes from being able to express our true authentic selves and celebrate our community. This joy is reflected in the thousands of people who come together for PrideFest, as well as in the simple act of raising a rainbow flag outside our homes.

We extend our heartfelt wishes for a happy and safe Pride celebration this year. We encourage everyone to embrace love and patience in their interactions. While the journey for equality continues, we, as a resilient community, stand united. Pride is more than a mere event; it is a testament to our commitment to living authentically. Together, let us uphold the call to **"Remember • Resist • Rejoice!"**

One of the many reasons why I love our city is because we have a diverse community where everyone is welcome, safe, and are free to be exactly who they are. As Mayor, I am thrilled to welcome you to Providence as we celebrate Pride Month and the many ways our LGBTQ+ community are a critical part of the fabric of Providence. There will be celebrations happening in all different parts of our city, so I also encourage you to explore the many critically-acclaimed restaurants and arts institutions that continue to garner Providence its reputation as the Creative Capital.

Whether you're a visitor or a resident, let's come together to safely enjoy all the festivities, and celebrate our LGBTQ+ community!

There will be two stops at local parks for dancing, and the ride will end (location TBA) around 11pm. Riders of all levels are welcome – the pace is slow and social. ### Friday, June 16: Black Lavender: Black Gay Men in Rhode Island | Providence City Hall, 3rd Floor | 25 Dorrance Street, Providence @ 4:30 pm

Covering 100 years of history, the exhibit begins with Duke Hawkins, an African American waiter embroiled in the 1919 Newport Sex Scandal and, coming forward, others entangled in the legal system for their sexual preference. The bar scene, pride parades, politics, salons, theater and academia provide surprising windows into how Black gay men in Rhode Island have navigated the duality of race and homosexuality. Artists, authors, and activists such as Joe Wilson, Jr., Rodney Davis, and Derek Livingston, and national heroes such as James Baldwin, Langston Hughes and Countee Cullen, create a wonderful constellation of excellence that crown this landmark exhibit with power and dignity. Created by Robb Dimmick, the exhibit is produced by Stages of Freedom, and funded by the Equity Action Fund at the Rhode Island Foundation and the Providence City Council. The event is free and open to the public.

# Grand Marshals for 2023

Rhode Island Pride is pleased to announce the selection of three exceptional individuals and groups as grand marshals for this year's celebration.

One of the distinguished grand marshals is **Brett Smiley**, the newly elected mayor of Rhode Island's capital city. This selection marks a historic moment as Mayor Smiley becomes the second openly gay chief executive in the state. His appointment as a grand marshal recognizes not only his personal achievement but also the progress that has been made in embracing diversity and equality in the political sphere. Mayor Smiley's presence as a grand marshal serves as a symbol for the LGBTQIA+ community, showcasing the possibilities for representation and leadership.

Another outstanding grand marshal is **David Cicilline**, the first openly gay mayor of Providence. David's remarkable contributions extend beyond his role as a mayor and encompass his dedicated advocacy work. He served as the Congressional representative for Rhode Island's 1st District for 12 years, during which he became a respected leader and champion for LGBTQ+ rights. As the co-chair of the esteemed LGBT Caucus, David has been at the forefront of advancing equality and promoting legislative initiatives that benefit the LGBTQ+ community. David Cicilline's leadership as the lead sponsor of the Equality Act is particularly noteworthy. This groundbreaking legislation seeks to prohibit discrimination based on sex, gender identity, and sexual orientation. By advocating for the Equality Act, David has demonstrated his commitment to ensuring equal rights and protections for all individuals, regardless of their sexual orientation or gender identity. The Act's goals go beyond addressing discrimination, as it also aims to advance various other essential purposes, such as promoting economic fairness and social progress.

Our final grand marshal is **Thundermist Health Center**, a beacon of inclusivity and compassionate care, has long been a champion of LGBTQ+ rights and healthcare equality. With a steadfast commitment to serving all members of the community, Thundermist has long created a safe and welcoming environment for LGBTQ+ individuals to receive comprehensive healthcare services. Their dedicated team of healthcare professionals ensures that every patient is treated with respect, dignity, and personalized care, regardless of their gender identity or sexual orientation. Thundermist Health Center is being recognized for their tireless efforts in promoting LGBTQ+ rights and advocating for inclusive healthcare policies. Their leadership and unwavering support have made a profound impact on the lives of countless individuals, fostering a sense of belonging and empowering the LGBTQ+ community in Woonsocket, West Warwick and South County as well as across the state to live their authentic lives. We recognize particularly the Trans Health Access Team, a group of medical, behavioral health, and allied service professionals working to improve access to culturally and clinically competent healthcare for the trans community and to act proactively and deliberately to address the discrimination trans individuals face in the health care system, and to address the many health disparities experienced by trans people.

## **Getting to PrideFest**

PrideFest takes place at the Providence Innovation District Park (GPS location:120 Peck Street, Providence, RI 02903) in the heart of Downtown Providence along the Providence River waterfront. There are two main entrances - Dyer Street near District Hall and at the pedestrian bridge. The fun starts at noon and continues until 7:00 pm, leaving you with just enough time to get ready for the Rhode Island Pride Illuminated Night Parade, which kicks off at 8:00 pm just a few blocks away.

## **Parking**

There are several surface lots and garages around the city. We recommend parking for the full day and walking over to PrideFest. Parking meters are in effect on Monday through Saturday from 8:00 am to 9:00 pm. Street parking is significantly restricted on June 18 within the immediate vicinity of PrideFest and the Illuminated Night Parade. The Dyer Street parking lots are adjacent to the Festival and within walking distance from the Parade. Providence Place Mall and RI Convention Center parking lots are also just a ten-minute walk to the park.

## **Local Transportation**

Public Transportation to Providence within RI: The Rhode Island Public Transit Authority (RIPTA) offers bus service to the city of Providence from various locations throughout the state of RI. For scheduling information visit RIPTA's web site at [www.ripta.com](http://www.ripta.com) or call them by phone at (401) 781-9400. There are several taxicab companies that service the greater Providence area and Uber and Lyft are a great option (Use this address to schedule a ride service:120 Peck Street, Providence, RI 02903).

## **Bicycles, Skateboards, Skates & Scooters**

For the safety of our guests, bikes, skateboards, roller skates, rollerblades, scooters and motorized vehicles of any kind, with the exception of wheelchairs and mobility scooters, are prohibited from the festival grounds.

## **Festival Admission**

PrideFest is open to all ages, and admission to PrideFest is \$1. Your \$1 donation helps offset the production costs of this massive celebration. For your convenience, ATMs are located near the main entrance on Dyer Street.

## **Trash and Recycling**

Bins are located throughout the PrideFest site. Please pitch in and be responsible with your trash and recyclables to help keep our city as clean as possible.

## **PrideFest is Pet Friendly**

Pets are allowed on the festival grounds during the event. For everyone's safety, please keep your pet leashed and be courteous to pick up after your animal should they answer the call of nature.

## **Alcoholic Beverages**

PrideFest is a place to party, and some people like to do that with a drink. The Beer, Wine and Spirits Garden is located adjacent to the Main Stage. Proper ID (21+) will be required enter the Beer, Wine and Spirits Garden and to purchase alcohol. All beer, wine and spirits must be consumed within the fenced area. Please party responsibly.

## **Non-Smoking/Vaping Areas**

The Beer, Wine and Spirits Garden and the Kids' Pride Zone are non-smoking/vaping areas. Please be courteous when smoking/vaping at PrideFest and refrain from smoking/vaping in crowded areas. Do not litter and make sure that all smoking materials are completely extinguished.

## **Safety Tips**

PrideFest volunteers and RI Pride Security can be identified by their t-shirts and identification badges. If you need information or assistance within the PrideFest grounds please feel free to approach a volunteer.

If you have a medical or safety emergency dial 911. If you have a non-emergency medical need there is a first aid tent located near the Pride registration tent.

Take care of all personal belongings and be aware of those around you. Keep wallets, purses, bags, mobile phones, and cameras secure and within sight at all times.

Many organizations, including RI Pride, will be asking for donations at PrideFest. Individuals soliciting donations for organizations should be identifiable by badge identification or affiliation information.

Even though the PrideFest is a safe and friendly venue, we still recommend the buddy system. Spend the day with a friend, travel to and from the festival in a group and make sure that you stay aware of your personal safety. Remember you should carry identification with you at all times. We want your Pride experience to be as safe and enjoyable as possible. Please report any concerns to RI Pride Security or a PrideFest volunteer.

### **Lost & Found**

Although RI Pride does not operate an official lost-and-found service (and is not responsible for any lost articles), people sometimes turn in lost items to the Pride Information / Security Tent. Lost children should be taken to the nearest police officer, RI Pride Security, or to the Pride Information / Security Tent.

### **Viewing the RI Pride Illuminated Parade**

The RI Pride Illuminated Parade winds its way through the streets of Providence from the the intersection of Washington and Empire Streets through downtown and past the Providence City Hall and ends at the Providence Performing Arts Center. We work extremely hard to keep the thousands of people who crowd the streets of Providence safe and happy. By following these simple suggestions you can help us help you maximize the viewing experience:

- You must remain on the sidewalk as the parade passes. Do not jump the barricades. People standing on the street are not only a safety hazard but also block the parade from passing and slow the procession.
- Intersections along the parade route can become very congested please do not crowd the corners or stand outside of the barricades.
- Many of the city streets remain open to traffic during the parade. Parts of Kennedy Plaza, and downtown cross streets remain very busy as the parade passes. Please observe all police direction and obey traffic signals and crosswalks.
- Keep your children safe and out of danger. Use extra caution with strollers on the parade route and hold young children's hands. Children should not be allowed to enter the parade route for any reason without adult control.
- Many crosswalks will be closed during the parade. If you need to crowd the streets look for the designated breaks in the barricades.
- Do not approach floats or vehicles in the parade. Vehicles are likely to move without notice. If you are not officially registered in the parade, please do not enter the parade route.

### **A Final Comment**

We hope you have a great day with RI Pride at the PrideFest and Illuminated Night Parade. However, even in the fun atmosphere of a festival, the City of Providence is responsible for enforcing all applicable state laws and local ordinances during the Pride event which include, but are not limited to: public decency, alcohol, controlled substances, public safety, and parking.

RI Pride, as the event organizer, reserves the right to decline admittance to anyone who violates the reasonable policies established for public safety, tries to gain entrance to restricted areas or causes serious disruption to the good order of the event.
